

Jay Pritzker Academy

Job Announcement

www.jpa.org.kh

Jay Pritzker Academy (JPA) is a registered international NGO. Our mission is to provide accessible, high quality education to talented and motivated children in Siem Reap province, equipping them with the knowledge, skills and language to succeed locally and globally. JPA is seeking passionate and motivated candidates to apply for a High School Science teaching position, delivering AP classes in Chemistry, Biology and/or Physics to our exceptional students.

Job Title: High School Science Teacher

Start Date: August 2024

Overview: Teach High School Science in well-equipped labs at the beautiful JPA Campus in Siem Reap province.

Responsibilities

- Teach Chemistry, Biology and/or Physics to high school students, within the Pre-AP/AP framework.
- Support students' academic and personal development in a positive manner.
- Develop curriculum content and resources.
- Prepare daily lesson plans and quarterly outlines.
- Assess and evaluate student knowledge and skills.
- Monitor and report student progress.
- Undertake continuing professional development.

Preferred Requirements

- Hold a teaching qualification and/or relevant degree in science, education or related field.
- Experience in working with high performing students in an international school setting.
- Demonstrable ability to support students in achieving outstanding academic results.
- Hardworking, honest and highly motivated.
- Strong interpersonal skills and able to communicate well with children, parents and colleagues.

Benefits

- Salary based on experience and qualifications.
- Training and professional development in a school with a proven track record of delivering outstanding education.
- International health insurance coverage.
- All applicable visas and work permits.
- Working 5 days per week with around 50 days paid holiday and leave per year.

To apply, please send a CV and cover letter to careers@jpa.org.kh. Only applicants invited to interview will be contacted.

Closing date: Friday 28th June 2024.
